## FACT SHEET

# INERELA+ Kenya at a glance

INERELA+ Kenya is an interfaith network of religious leaders living with or personally affected by HIV, established in 2004. We mobilize the moral authority and trust of faith leaders to advance health, dignity, gender justice and human rights across Kenya.

## MISSION

*Positive faith for sustainable, healthy community change.*

## VISION

*A society where faith empowers communities to claim health, dignity, and justice.*

## OUR PROGRAMMES AT A GLANCE

## Six focus areas

01. HIV & TB Advocacy and Stigma Reduction
02. Capacity Building and Leadership Development
03. HIV Testing, Treatment and Community Health
04. Male Engagement and Positive Masculinity
05. Human Rights, Legal Aid and Community Justice
06. Gender Justice and GBV Prevention

## WHO WE SERVE

## Reach & beneficiaries

Religious and faith leaders across traditions, youth and women advocates, people living with HIV and TB, survivors of gender-based violence, and vulnerable and marginalized community members — working through churches, mosques and faith-based organizations in counties across Kenya.

## HOW WE WORK

## Our approach

**Faith-Rooted** – we mobilize the moral authority and trust of religious leaders. **Interfaith & Inclusive** – we unite churches, mosques and faith communities around a shared mission. **Rights-Based** – we defend the dignity and rights of people living with HIV, women, youth and the marginalized. **Community-Led** – we build local capacity so communities lead their own lasting transformation.

## PARTNERS &amp; NETWORKS

Ministry of Health, National Syndemic Diseases Control Council (NSDCC), UNAIDS, UNESCO, UN Women, Stop TB Partnership, Health NGOs Network (HENNET), Ecumenical Pharmaceutical Network (EPN), LVCT

Health, AMREF Health Africa, CORUS International, and county governments across Kenya.
